

The Kei Car (Keijidosha) Tax is an annual tax imposed on kei car owners every April 1 (assessment date).

Please make sure to pay by the due date. A penalty fee will be charged for late or unverified payments.

You may also be required to pay taxes even for vehicles you do not own, such as those that have transferred ownership, scrapped, or stolen, if you have not declared the necessary information by the assessment date.

The Kei Vehicle (Keijidosha) Tax is assessed per fiscal year. There is no monthly taxation or tax refunds for any vehicles registered or scrapped in the middle of the year.
